Thanks Jeryl,

And just FYI EPA's next call with YPT has been rescheduled for Monday.

Hi guys,

I ran the idea by Greg and Jeff, and it's fine if you want to introduce the big picture CMU concept during your call with YPT tomorrow.

You can also relay that NDEP will be happy to give them more details, if they would like to know more, in a conference call or meeting with us.

Let me know how it goes tomorrow.

Thanks,

Jeryl
